EMERALDS THE WINNERS. Defeat Independents in Tnter-City Se ries on Rhoades' Field.

The Emeralds drew first blood in the inter-city series with the Inde-pendents at Rhoades field Sunday af-ternoon, in the presence of one of the largest crowds ever seen on the field. Over a thousand people were on the grounds at one stage of the game, and the majority stayed until the ninth in-

ning.

Lefty Smith held the Independents safe in all but the ninth inning, when J. Nichols singled, stole second and third and came home on Holmes' single. In the second inning, with men on second and third, he fanned the next three batters in a row, and again in the fourth in the same situation struck with the same situation struck and the same situation strucks. out two and a fly to center ended the rally.

For the Emeralds, Adams doubled in the first with two down and scored on Smith's single. In the fourth with two of the single. In the fourth with two of the single. In the fourth with two tried to bunt, and the ball went just over the third baseman's head for a clean single. A fielder's choice gave one run, but Peloquin struck out two for the close of the inning.

Teloquin weakened in the sixth, and the winners scored six runs on four singles, three two baggers and a triple, mixed in with a base on balls and an error, in that and the two succeeding innings. A running catch by McDermott and the hitting of Adams, Smith and Comins featured the contest. The For the Emeralds, Adams doubled in

Kansas City NEW ENGLAND LEAGUE STANDING Burdick Won Second Place. Amid the terrible dus; that hovered around the ract track at Poquonoc Saturday, Wild Bill Burdick of this

city succeeded in capturing two sec-ond places in the three events of the afternoon. The real honors of the day were carried off by Bill Leah; o. Hartford, taking first place in all the events. James Palazza of Newburg succeeded in taking one second place succeeded in taking one sectors and Latham of Lebanon captured one Fred Nixon, Springfield, who made

such a great appearance at the races here on the Fourth, met with an acci-dent and was forced to quit. The riders rode at great risk, as the dust was thick, and at times the riders were un-able to see ahead very much. The cause of this is probably due to the negligence to water the tracit, White Sox Snatched One from Cleve-

land. Cleveland, O., Sept. 6.—Scott held Cleveland to four hits today and Chicago won, 6 to 1, bunching its hits off Morton in the sixth and eighth innings. In four times up Roth had three singles and a triple.

Scotty was called on to go in in the second inning, with his team on the wrong end of a 6 to 0 score, and had he received the support he was entitled to there is no telling what might have happened. As it was, the game was a struggle to see which team could exhibit more kinds of baseball in nine innings than the other. Outside of that, what breaks of luck there were went to the visitors, who walked off with the long end of a 14 to 7 score:

On that date the Braves started a run of four victories and continued with few defeats until August 24. Nothing like this rally or rush has heretofore been recorded in the annals of the big league. Even this run fell short of the record for the major league figures were set at towenty games by the Providence Club of the National League in 1884 and the minor league record of twenty-eight games made by the Corsicana Club, of the Texas League in 1902.
